DPC Annual Report

Central Coast Cluster

This year has been an exciting and rewarding year for the Central Coast Cluster, especially supporting our schools to become more "*Parent Friendly*", focusing on Parental Engagement.

We on the Central Coast have been blessed with fantastic parent seminars, where our DPC representatives, school P&F members and the wider community have been given knowledge and wisdom to assist us to effectively support and enhance parental engagement within our school communities, parishes and schools.

The Broken Bay Diocese is so fortunate to have such a committed team at the CSO who truly values the parent / school / parish partnership to effectively enhance our children's well-being spirituality, emotionally, socially and academically.

We started the year with a fantastic Leadership Evening, looking at Collaborative Partnerships which set the year up for great speakers including Dr Justin Coulson and Susan McLean.

I would like to thank all of the Central Coast DPC Reps for their time, support and efficient way they have kept their schools up to date with all the DPC does.

A big thank you goes out to the staff at the CSO and the other Clusters for all their help and support over the year.

Cathy Whitmore
Central Coast Cluster Co-ordinator
