Strategic Plan

BROKEN BAY
CATHOLIC SCHOOL PARENTS

MISSION

The CSP represents and provides opportunities to support the development of respectful and trusting partnerships between home, school and parish to all families in Catholic Schools in Broken Bay.

VALUES

The CSP Strategic intentions are guided by the following ...

We respect that:

- All families need to, want to and can be, engaged in their children's faith, learning and well-being;
- Families have the right to access the support and strategies that enable student-centered partnerships;
- Parent Engagement is an intentional and collaborative strategy and the CSP values the partnership with the CSO in aligning the CSP strategy with diocesan directions.

PRIORITY AREAS

1

Parent Engagement Partnerships

Building capacity of all stakeholders – parents / families, parent bodies, school leadership, school staff, diocesan staff and students – to develop intentional and collaborative parent engagement strategies

2

Communication

Develop inclusive communication processes incorporating current technology and meeting the diverse needs of individual school communities.

3

Diverse Parent Bodies

Reframing the traditional P&F models in response to changing family capacity, educational research, dynamics of school communities and increasing importance of social capital

4

CSP Practices

Evaluate our existing practices, processes and activities including further developing strategic partnership with CSO.
