

Combined Primary Cluster Meeting Minutes

Venue: Zoom Online Meeting

Date: 7pm, Wednesday, 4th August 2021

Broken Bay Catholic School Parents

www.brokenbayparentcouncil.com

catholicschoolparents@dbb.org.au

In attendance:

Kirsty Liston, CSP Rep, MacKillop Warnervale, Central Coast Cluster Rep	Carmel Hewitt, CSBB Student Achievement Team - Parent Engagement
Necola Chisholm, Co CSP Chair	Jo Spek, Evangelisation and Catechesis team CSBB
Tony McLeod, CSBB Lead Governance	Michal Brenchley, Project Officer, CSP
Andrew Fraser; CSBB Lead Student Achievement	Lynn Hames, CSBB Marketing and Communications
Angela Whitby; CatholicCare General Manager	Danny Casey, CSBB Director of Schools
Anne Duncan; CSBB Lead Capability & Enablement	Celeste Boonaerts, St Peter's Tuggerah
Julia Conroy; CSBB Executive Support, Lead	Rebecca Berrell – Sacred Heart, MonaVale
Alex Goudie, St Cecilia's Catholic Primary School, Balgowlah	Bevin Hudson, OLHC
Andrea Gallagher, St Mary's Catholic Primary School, Manly	Carly Baldwin, OLR The Entrance
Anne Nesbitt St Philip Neri Northbridge	Caroline Miller, St John's Catholic Primary School, Narraweena
Monique Beange, CatholicCare	Claire Bajelis - CSP Rep OLOR Waitara
Danielle Charman - OLGC Forestville	Donna Falzon, FLO Central Coast
David Linos, CSBB Lead Financial Management	Gary Webb - St John Fisher
Eileen Cannon, St Mary's Catholic Primary, Toukley	Lauren Brincat StKDY CSP Rep
Josie Vescio, CSBB Lead Facilities	Marianne Aberline, St Kieran's Catholic Primary School, Manly Vale
Kirsten Wenborne- Sacred Heart Mona Vale	Nicolle Schwebel, FLO Central Coast
Melissa Evans, CSBB FLO Central Coast	Olwyn O'Dowd, Holy Family Catholic Primary School Lindfield
Natalie Tunstead, CSBB FLO MacKillop Catholic College, Warnervale	Sally and Mark Southan, St Patrick's Catholic Primary Asquith
Pene Boucher, St John's the Baptist	Susan Layton, St Patrick's Catholic Primary Asquith
Robert Peers, CSBB Lead Digital Enablement	Tara Cullen St Rose Collaroy Plateau
Suzanne Simpkins, St Patrick's Catholic Primary, East Gosford	Vanessa Phillips, St John Fisher Catholic Primary, Tumbi Umbi
Una Morrison, CSBB Promotions	Tim Curran, CatholicCare

ITEM / PURPOSE	DISCUSSION	ACTION / FOLLOW-UP
Welcome Prayer/ Welcome to Country	Kirsty Liston Rebecca Berrell	
Welcome & Introductions	Necola Chisholm	
	<p>On Tuesday 27th July 2021 we held a Virtual ‘Happy Hour’ just to have an informal check in on how our CSP Reps & Parent Teams were going and to also share what they were doing to engage with other parents. What came from that check in is that families were starting to feel stressed, there were some inconsistency across the Diocese and HBL was very challenging especially for the younger years with having both parents trying to also work from home.</p> <p>Feedback and concerns were taken back to the CSBB. From that they thought it would be beneficial for some of the Workstream Leaders and Danny to attend the upcoming Combined CSP Representative Meetings to update parents and listen to any further feedback.</p>	
CSBB Update	<p>Danny Casey – Director of Schools</p> <p>The CSBB wanted to reach out and update parents and were grateful for the opportunity to do this at the CSP Representatives Meeting while being able to listen to further feedback.</p> <p>Danny mentioned that there were some exciting things coming up in the Towards 2025 project but will update further at a later date due to the current Covid situation and the impact this was having on our families & schools</p> <p>The CSBB has 2 main priorities at present:</p> <ol style="list-style-type: none"> 1. Making sure that whatever plan the CSBB puts in place that the health and safety to the teachers, Students and families is paramount and nothing they do will compromise this. 2. Dialogue – regular communication is being made between the CSNSW and the CSBB. Feedback is being communicated every day and he had also been invited by the Minister to participate in a smaller discussion group and had said that greater & stronger clarity needed to be communicated to all. <p>Danny understands the impact and uncertainty that this is having on families and they want to get all students back to face to face learning as soon as it was safe to and wanted this opportunity to be able to brief the CSP Reps so they could then forward the information back to the parent groups that the CSBB are being listened to by the Minister and feedback actioned upon.</p> <p>CatholicCare – Angela Whitby, General Manager</p> <p>Angela has been talking with her Team and they are trying to manage the overwhelming need for their services.</p>	

They are trying to change the mindset; Are we being 'Locked In' or Are we being locked in, to keep 'Us Safe'? CatholicCare are providing all their normal services, plus additional Covid related Services. Many of their normal Face to Face services have now changed to virtual but has given them more opportunity to offer more because of this.

Wanted to remind that there is available Emergency Relief Funds by way of food vouchers etc. and provided the following link for further information <https://www.catholiccareddb.org.au/family-youth-children/emergency-relief/>

Mental Health and Parental Anxiety is on the rise, but families must remember to give themselves a break and let go of all the less important things.

While there is help there are not enough resources to cope with the demand and they have waiting lists. Please if you know of a family in desperate need, please refer them to the Family Connects Support, they can get interim support (please see attached PDF & share with your families).

It is very important to look out for each other and ourselves currently. If any families need additional learning support, they do have casual support staff that maybe available to help, but fees will apply.

Tony McLeod

Fee Relief

CSBB has reintroduced Fee Relief Scheme and they encourage families to contact them if they need assistance and asked CSP Reps to encourage any families they knew that need help to contact them <https://www.csodbb.catholic.edu.au/the-parent-hub/fee-relief-during-covid-19-2/>

Anne Duncan

Students are our focus, and they are very aware of how hard HBL is, so thank you to you all.

K-2

Keen to hear what is working for you in your schools and what are your wishes?

Tips for this age group

- they need to be reading every day, call Grandma and read to her over the phone
- counting / patterns – cook with them (measurements is math's)
- give them many breaks, their attention span is only 10-15mins
- don't get hung up on foundational learning, teachers will pick this up if there is a problem
- Tuck shop Fridays – give them money and options (again this is math's)

Robert Peers & Josie Vescio agree that reading is so important

Tony McLeod

One of the current issues is the 8 LGA's that are fully locked down. Luckily, we only have 2 primary schools that are affected within our Diocese. But the bigger issue is the Year 12's.

Please be assured though, if you have a child that needs to be at school, please let your school know so arrangements can be made and there will be no judgement.

Because we do have some students still attending schools across the Diocese, teachers are trying to do their best in the situations where they have in some class's half a class face to face and half HBL.

Anne Duncan went through the Catholic Schools Broken Bay COVID RESPONSE

- Casual Contact
- Secondary Close Contact
- Close Contact
- Confirmed Case

Tony McLeod, keeping in mind that there are thousands of tests done every day with minimum cases in our areas, but they do want to minimise any stress that families are feeling so hope the chart helps in reassuring parents.

Government is now trying to prioritise Year 12's in the 8 LGA's, by getting them vaccinated but not prioritising the teachers. Danny is again trying to advocate for our teachers as they too are a priority.

Danny Casey: following on from what Tony has said, the government is starting to listen, and they are working everyday trying to negotiate with the Education Minister to protect our teachers.

Breakout Groups

1. Questions or responses from the CSBB Update
2. What's working well in your school?
3. Suggestion or wish that would support you in your role as a parent during HBL

Feedback from the Breakout Groups

Group 1.

Q1.

- What does going back to school look like and when

Q2.

- There is no 'one size fits all' parents want different things as all kids are different
- Some schools are having optional zooms, but more focused on wellbeing
- Mixture of screen HBL and pen to paper
- Social media use to enhance / encourage building relationships between teachers and students

Q3.

- It's harder for the younger grades
- More check-ins teachers / parents
- Staggered zooms are difficult when have working parents

Group 2.

Had more of a free-flowing conversation about

- Social connections
- School is not just about learning; it's about learning to connect & building relationships
- Fatigue is starting to set in
- More difficulty with children with learning needs

Group 3.

- Wanted to give recognition to teachers & staff
- Communication from schools is good
- Surveys are being sent out to parents via schools
- The zooms being in the morning are working well, but be good to have alternative options for families that the students can't make the mornings
- Be great to have a Wellbeing Wednesday and give students, teachers, and families a day off during the week
- The option to be able to collect the HBL packs from the schools on a Thursday or Friday would be good so then families could have time to get organized for the following week
- How do more 'fun' things get incorporated in the learning day to keep students engaged and to give parents a break
- How do we build resilience in our children during this time?

Group 4.

- Good to hear what everyone else is doing
- They need clearer communication of expectations from the teachers and what would help is having small groups in the zooms and more of them as when instructions are given in big groups its harder for the little ones to keep up

Group 6.

- It's important for our teachers to feel safe and get them vaccinated
- Had a parent in the group who is in health care, so she was able to shed some light on the process
- There are a group of parents that have seem to be forgotten – those on the 'front line' who's children are at school – is anybody reaching out to them?

Anne Duncan: parents are expressing so much gratitude towards teachers which is no nice. Teachers didn't sign up for this kind of teaching so they are all doing the best they can

	<p>Danny Casey; The CSBB welcome all the feedback Natalie Tunstead; Teacher Appreciation ideas</p> <ul style="list-style-type: none"> - Virtual Appreciation Wall - Coffee Vouchers for the local coffee shop <p>Olwyn O’Dowyd: What are the current guidelines for sending children to school, we need clearer communication around this, and one rule should be for all.</p> <p>Danny Casey: Schools are open for any student that needs to be at school and no judgement will be made.</p> <p>Kirsty Liston, MacKillop; Their school completed a survey and the teachers commented back and thanked for the appreciation shown by parents Their school also was celebrating a Teachers Appreciation week. There are great ideas on how you can get the students and teachers engaging with each other via https://iowacity.momcollective.com/2020/05/03/teacher-appreciation-week-in-the-time-of-covid-19/</p> <p>Padlet info: its FREE to sign up https://padlet.com/auth/signup</p> <p>Caroline Miller: Zoom recordings have been very helpful to accompany the class work and please remember to all show empathy and compassion when calling the school s for information</p> <p>Lauren Brincat; Are the SSCSP Grants happening again this year.</p> <p>Carmel Hewitt: No, not this year as the Management Team decided it would not be practical considering the circumstances and now that we are running our finances through the CSBB</p> <p>Danny Casey: Thank you again for all the exchanges and we will keep you all updated as we undertake the Roadmap back always considering what’s best for the students, teachers, and families</p>	
CCSP Update	Roger O’Sullivan Award extended	

Key Meeting Points / Action items for Broken Bay CSP Management Team			
1.	BBCSP will continue to develop and share resources around Families Staying Connected during Lockdown with CSP Reps & Parent Teams		
2.	CSBB has informed the CSP that they have implemented HBL Plus to support schools due to the extended lockdown and thank the CSP for their feedback.		
Next Meeting Date & Venue		Meeting Closed:	8.56pm

BBCSP Chat Download

Combined Primary CSP Representative Meeting Wednesday 4th August 2021

18:58:56 From Kirsty Liston Mackillop Warnervale: Kirsty Liston MacKillop CC Warnervale

19:00:44 From Anne Nesbitt St Philip Neri Northbridge : Anne Nesbitt St Philip Neri Northbridge

19:01:06 From Olwyn Holy Family Lindfield : Olwyn Connolly Holy Family Lindfield

19:01:11 From Rebecca Berrell - Sacred Heart : Rebecca Berrell - Sacred Heart Mona Vale

19:01:29 From Claire Bajelis - CSP Rep OLOR Waitara : Claire Bajelis - OLOR Waitara

19:01:43 From Alex Goudie : Alex Goudie Sr Cecilia's Balgowlah

19:01:47 From Danielle Charman : Danielle Charman - OLGK Forestville

19:01:48 From Angela Whitby : Angela Whitby - CatholicCare Diocese of Broken Bay

19:01:49 From Marianne Aberline : Marianne Aberline - St Kieran's Manly Vale

19:01:50 From Tony McLeod : Tony McLeod - Governance CSBB

19:01:54 From Suzanne Simpkins : Suzanne Simpkins - St Patricks East Gosford

19:01:55 From Una Morrison : Una Morrison - CSBB Marketing

19:01:56 From Gary Webb - St John Fisher : Gary Webb St John Fisher

19:01:58 From Lynn Hames : Lynn Hames - CSBB marketing and Comms

19:02:02 From Pene Boucher : Pene Boucher St. John the Baptist freshwater

19:02:02 From Tim Curran : Tim Curran - CatholicCare

19:02:03 From Lauren Brincat StKDY CSP Rep : Lauren Brincat - St Kevin's DY

19:02:05 From Anne Duncan : Anne Duncan - CSBB Capability and Enablement Workstream Lead

19:02:06 From Carly Baldwin : Carly Baldwin - OLR The Entrance

19:02:08 From Nicolle Schwebel : Nicolle Schwebel OLR The Entrance

19:02:10 From vanessa phillips : Vanessa Phillips from St john fisher Tumbi Umbi

19:02:20 From Susan Layton : Susan Layton

19:02:24 From Caroline Miller : Caroline Miller - St John's Narrabeena

19:02:25 From Robert Peers : Rob Peers - CSBB Digital Enablement Workstream Lead

19:02:30 From David Linos : David Linos - CSBB financial viability.

19:02:46 From Susan Layton : Susan Layton, St Pats' Asquith

19:02:51 From Tara Cullen St Rose Collaroy Plateau : Tara Cullen - St Rose Collaroy Plateau

19:02:57 From Josie Vescio : Josie Vescio - Facilities Workstream Lead

19:03:10 From Andrea Gallagher : Andrea Gallagher St Mary's manly

19:03:25 From Carmel Hewitt : Carmel Hewitt CSBB Student Achievement - Parent Liaison

19:03:47 From Sally and Mark Southan : Sally and Mark St Pats Asquith

19:04:16 From Catholic Care Monique Beange : Monique Beange General Manager - CatholicCare Children's Services

19:06:34 From Olwyn Holy Family Lindfield to Michal Brenchley(Privately) : Can that prayer be shared please Michal?

19:08:46 From Michal Brenchley to Olwyn Holy Family Lindfield(Privately) : no worries, ill email it to you all

19:11:16 From jo spek : Jo Spek-CSBB Project officer - Evangelisation & Catechesis

19:15:00 From Michal Brenchley, BBCSP Project Officer : Please if anyone has any questions through the meeting, if you can write them in the chat :)

19:19:46 From Gary Webb : Question - Given the prevalence of covid among children are we encouraging teacher vaccination?

19:24:54 From Lynn Hames : <https://www.catholicreddb.org.au/family-youth-children/emergency-relief/>

19:27:09 From Pene Boucher : Is that assistance free of charge if not NDIS?

19:27:20 From Gary Webb : Thank you both, amazing services.

19:29:26 From Eileen Cannon : Are we able to promote these services through the parents correspondence or should it be from the school?

19:30:24 From CatholicCare Monique Beange to Michal Brenchley, BBCSP Project Officer(Privately) : Michael, I can be contacted on my email monique.beange@catholicreddb.org.au or

19:30:43 From Michal Brenchley, BBCSP Project Officer : We can send you the information and you can then forward it on to your school community :)

19:31:00 From Lynn Hames : <https://www.csodbb.catholic.edu.au/the-parent-hub/fee-relief-during-covid-19-2/>

19:31:07 From Michal Brenchley, BBCSP Project Officer to CatholicCare Monique Beange(Privately) : thank you :)

19:31:57 From Lynn Hames : Hi All, CatholicCare have supporting collateral that we can get out to the schools for you to send on to parents.

19:32:02 From Gary Webb : Can we please include links into the meeting minutes. Thank you

19:32:03 From Sally and Mark Southan : It would be great if someone in the marketing role could put together a Facebook and newsletter-friendly summary of all services available to families.

19:32:14 From angela whitby : you can find all of our services on our website <https://www.catholiccaresdbb.org.au/>

19:33:11 From Michal Brenchley, BBCSP Project Officer : We are regularly updating our BBCSP FB Page but can pop something together for you all on one page :)

19:33:39 From Sally and Mark Southan : An "all in one" summary would be brilliant.

19:34:31 From Carmel Hewitt : all the links will be included in the minutes

19:35:45 From Pene Boucher : Seesaw is working well. Great platform

What not working well is the fact there is no independent learning.

19:36:09 From Lauren Brincat StKDY CSP Rep : I'm an essential worker. I like that I can flexibly send my child a few days a week and keep him at home on other days and the school work planned for all is easily transferrable depending on which setting my son is in because it's on Seesaw which is great. I like that my school has not planned zooms for K-2 so as parents we have flexibility to deliver the content over the day rather than being stuck to the clock.

19:36:19 From Suzanne Simpkins : Working well - videos for most tasks so students (K and 3) can work mostly independently

19:36:30 From Kirsty Liston Mackillop Warnervale : MCC feedback daily wellbeing sessions for K-6 are great to get kids motivated to start the day, see their friends and teachers. K-2 positives: 1-3 guided videos per day for writing, counting etc , voice messages being left on their work so they can hear the feedback without parents having to read it

19:36:30 From Olwyn Holy Family Lindfield : my lockdown baking is finally validated!! Thank you Anne!!

19:36:39 From Gary Webb : SJF did a social activity this week, a crazy hair virtual disco, it was great also reminded kids that school is fun and engaging.

19:36:40 From Carly Baldwin : I like that the focus is on wellbeing. All children are different and all family situations are different and I feel that the school is supportive of this. My children enjoy getting their work done at their own pace and then focussing on their own individual interests.

19:36:41 From Claire Bajelis - CSP Rep OLOR Waitara : I wish we could have more lessons via Zoom, where the teacher is directly speaking to and interactive with the class rather than just setting tasks in Google classroom.

19:36:43 From Marianne Aberline : I wish we had some explicit direct instruction which would help explore and unpack new concepts. This could be done via zoom, or via pre-recorded videos.

19:36:59 From Danielle Charman - OLGC Forestville : Communication from the school is fantastic and Zoom sessions teaching the students in small groups has been great in the last couple of weeks. The other thing that has been fantastic is the specific and regular feedback from teachers.

19:37:08 From Marianne Aberline : I like Seesaw as a platform keeping the day and activities all together in one spot.

19:37:25 From Gary Webb : SJF - Drivethru pick up HBL pack. Working well.

19:37:27 From Claire Bajelis - CSP Rep OLOR Waitara : I wish there were ways to replicate the social experience and spontaneous interactions that our children have with each other.

19:37:31 From Pene Boucher : Dual working parents don't have time to spend as much one on one as that sadly.

- 19:37:40 From Kirsty Liston Mackillop Warnervale : MCC wish is some smaller group zooms for K-2 which assists with instruction as well as social opportunity
- 19:38:04 From Danielle Charman - OLGC Forestville : Many parents wish (especially those who are working or those with small children) that there were more activities that could be done independently but after giving this feedback to Fiona Dignan last week - it is clear the teachers have been trying to do this more this week.
- 19:39:05 From Olwyn Holy Family Lindfield : K - we're really enjoying the daily teacher catch ups - fantastic for student wellbeing and mood; wish they would connect via Zoom more than once a day. Positive language re effort/volume with work has been wonderful to see/hear.
- 19:39:29 From Gary Webb : Zoom PPE classes like dance would be great for kids and help give parents a break.
- 19:39:57 From Rebecca Berrell - Sacred Heart Mona Vale : Daily zoom at the same time each day provides great structure.
- 19:41:03 From Michal Brenchley, BBCSP Project Officer : Thanks so much, all comments will be passed onto to Anne. Great ideas too :) You all are doing a fab job
- 19:41:28 From Claire Bajelis - CSP Rep OLOR Waitara : We have a stark contrast in our house, my daughter is in secondary at Leo's and classes are timetabled and as normal via Zoom, with the students and teacher directly reaching out. This replicates what we as parents are doing, collaborating constantly with our peers in our workplace via Zoom or Teams, yet at a primary level, we are expecting our children to do the bulk of their work in isolation.
- 19:41:33 From Anne Nesbitt St Philip Neri Northbridge : SPN Northbridge - Yr 4 teacher does a daily 3 min video going through what's on the agenda for the day. She also does a daily 30 min zoom. She does a quick spelling test, teaches a new maths concept, they do shared reading and various other topics - Religion, Science & Tech, Geography, Olympics. She gets through a lot and the kids are all engaged. She always starts by calling the roll and engaging with each child.
- 19:41:34 From Rebecca Berrell - Sacred Heart Mona Vale : Love the Friday canteen idea
- 19:41:45 From Tara Cullen St Rose Collaroy Plateau : We have commenced Mini Zoom meetings with smaller groups students for a more connected and learnings focused experience one day per week, after parent feedback which has been appreciated.
- 19:42:07 From Lauren Brincat StKDY CSP Rep : The videos from youtube with a teacher reading the big book (often go for 10-15minutes) are great as well.
- 19:42:14 From Olwyn Holy Family Lindfield : I wish that the teachers were provided more guidance and support in this high challenge time on how to balance expectations of work being completed and the circumstances. Calling children out in front of the class for not turning work in is not in any way supportive and frankly not empathetic to families who are balancing full time work and childing home schooling.
- 19:42:36 From Anne Nesbitt St Philip Neri Northbridge : Would love to see a 'Tech free Tuesday' or similar as the kids do need time away from screens
- 19:43:28 From Kirsten Wenborne- Sacred Heart Mona Vale : We have a start of the day zoom which is really great - sets them up for the day but a touch base type zoom after lunch with the teacher could also be valuable to check the progress and making sure on track for the afternoon session
- 19:43:42 From Rebecca Berrell - Sacred Heart Mona Vale : Year 5 are doing small group projects for Geography and have an extra zoom each week for this specific subject with their project group. Kids are really engaged in it.
- 19:43:53 From angela whitby : Great ideas Ann love your energy
- 19:44:08 From Olwyn Holy Family Lindfield : Feedback from older years has been around expectations being consistent across staff around how much work and what work is most important . We'd also like to know how other schools have been adjusting to support students with learning difficulties now

in HBL.

- 19:45:58 From Sally and Mark Southan : Our school is having a "well-being" day every second Wednesday. Students can catch up on missed work or just relax. For working parents, this has been well-received. The teachers would be working very long hours and also need a day with greater flexibility.
- 19:46:43 From Caroline Miller : Teachers have been supplying videos to further explain Google Classroom tasks which has been great. Also recording the Zooms so parents can watch later.
- 19:49:00 From Lauren Brincat StKDY CSP Rep : can we have a copy of this?
- 19:49:21 From Tony McLeod : Yes - of course
- 19:49:55 From Tony McLeod : I thought this document had been shared with the revised agenda...
- 19:50:49 From Kirsty Liston Mackillop Warnervale : This document will help alleviate a number of concerns of parents as to what happens if....thank you :) Knowing there is a plan/approach helps take some worries away
- 19:50:59 From Tony McLeod : Agree!
- 19:51:00 From Lauren Brincat StKDY CSP Rep : I can't it with the new agenda but I might have missed it
- 19:51:16 From Carmel Hewitt : Thank you ever for your feedback/ideas /wishes we will send all the information to CSBB and also share in the minutes
- 19:51:19 From Lauren Brincat StKDY CSP Rep : this will increase confidence in the parent community if it is shared
- 19:51:40 From vanessa phillips : I am FAIRLY sure that if families need isolation assistance the health department can provide health accommodation for families
- 19:51:56 From Michal Brenchley, BBCSP Project Officer to Anne Duncan(Privately) : Can we share this doc with the reps?
- 19:53:23 From Lauren Brincat StKDY CSP Rep : that'd be great Anne
- 19:55:24 From Pene Boucher : Sorry pressed enter to quickly up above.... No ability to work independently for Kindys so very hard to support the other children in the house or actually do employed work. The small groups to improve engagement and assist in learning is a great idea. Our dual working parents are struggling the most. Very minimal oversight of the kids in a lot of cases and little chance to help them. More zoom contact or engagement would be appreciated with that cohort
- 19:58:01 From Lauren Brincat StKDY CSP Rep : Not to answer now, but a thought: Given a vaccination plan comes to fruition for year 12; are there considerations around the delay between vaccination and immunity? Are we gathering advice around that, as it seems like 2 weeks even is not enough?
- 19:58:46 From CatholicCare Monique Beange to Michal Brenchley, BBCSP Project Officer(Privately) : I will be leaving the meeting. Thank you for the opportunity.
- 19:58:53 From angela whitby : will have to jump off - great chat thanks everyone
- 19:59:08 From Lynn Hames : Thanks Angela

19:59:25 From Gary Webb : Hi Tony, Do we have a position on encouraging vaccination for teachers?

19:59:36 From Michal Brenchley, BBCSP Project Officer :

1. Questions or responses from the CSBB Update
2. Whats working well in your school?
3. Suggestion or wish that would support you in your role as a parent during HBL

19:59:55 From Anne Nesbitt St Philip Neri Northbridge : Sorry but I need to sign off. Thanks all

20:00:30 From Tony McLeod : In relation to delay before effectiveness we are noting this - though initially the government may not have factored in...

20:34:24 From Andrea Gallagher : Thankyou for a great session. sorry i need to go - put the children to bed.

20:37:12 From Sally and Mark Southan : I think we should give them a one week mid term break.

20:37:26 From Lauren Brincat StKDY CSP Rep : good idea. No week 6.

20:38:18 From Michal Brenchley, BBCSP Project Officer : Wellbeing Wednesday for ALL

20:39:35 From Lauren Brincat StKDY CSP Rep : St Kevins has done a padlet for the teachers:
https://padlet.com/drloz/8cndmwjeu8czrg9i?fbclid=IwAR3y2VFj8hI2ftckkQmWTnUlfTYPHXctfqbdv3c_4C2Q2KLlOm9w6UblzYw

20:39:43 From Pene Boucher : We are currently doing a thank you video from the kids

20:42:04 From Pene Boucher : Our principal has been amazing with this 'flex on definition'
And reaching out to offer support.

20:42:32 From Marianne Aberline : That is beautiful Lauren. A very special padlet!

20:46:11 From Michal Brenchley, BBCSP Project Officer to Kirsty Liston Mackillop Warnervale(Privately) : hi, please can you share that with me

20:48:13 From Carmel Hewitt : We are planning on a optional zoom next week for parent reps to share ideas around P&Fs /connecting etc ,Michal will send details

20:48:39 From Kirsty Liston Mackillop Warnervale to Michal Brenchley, BBCSP Project Officer(Privately) :
<https://iowacity.momcollective.com/2020/05/03/teacher-appreciation-week-in-the-time-of-covid-19/>

20:49:49 From Kirsty Liston Mackillop Warnervale : <https://iowacity.momcollective.com/2020/05/03/teacher-appreciation-week-in-the-time-of-covid-19/>

20:49:50 From Pene Boucher : One of our year 5 teachers keeps her zoom 'open' all day so that the kids Allan quickly pop on if they have a question which has been amazing

20:50:07 From Pene Boucher : *can not Allan

20:50:18 From Marianne Aberline : Thank you for facilitating such a rich discussion today. Thank you to the executive for joining, sharing and listening to the

highlights and the areas of challenge.

- 20:52:07 From Robert Peers : Thanks everyone - I've got to pop out and attend to something! Thanks for all your advocacy not just for parents, but for the great work from teachers and schools. Hang in there. :)
- 20:53:54 From Gary Webb : Thanks Everyone. Great conversation. Amazing to hear all of the great initiatives and how strong the community has been during crazy times. Stay safe and be well. Look forward to the next one.
- 20:54:43 From Lauren Brincat StKDY CSP Rep : Thanks Danny. Thanks all.
- 20:55:33 From Kirsten Wenborne- Sacred Heart Mona Vale : Thanks everyone for a great discussion. And yes thank goodness for the Olympics!
- 20:55:36 From Tara Cullen St Rose Collaroy Plateau : Thank you everyone for tonight, wonderful conversations and feedback. And a huge thank you to our schools and teachers for doing everything they can in such challenging and constantly changing times!
