

## DPC Leadership Evening: Worksheet

### **Involvement to Engagement / Strategic Intent**

Strong Leadership for Parent Engagement is essential. Leadership enables planning to see how things can be better and to plan for the time and resources to make it happen. Parent Engagement is set as a priority and a core part of “how we do things here”

Where are you on the involvement to engagement continuum?

How do we ensure that parent engagement is everyone’s responsibility in our school?

How do we build our capacity to engage parents?

***We have limited time and resources, we need to be strategic***

## Embedding parent engagement in your school culture

Rethink an existing parent / school partnership opportunity. Think about simple effective way/s you could

- Improve trusting and collaborative relationships
- Enable parents with knowledge, skills and confidence to partner with their schools community in their child's learning and wellbeing
